# Fall 2026 Report | CLASSIS EASTERN CANADA

Dear Friends of Classis Eastern Canada,

As the temperatures begin to change and we welcome the beauty of autumn, we are reminded of God's faithfulness through every season. The harvest before us is a reflection of his abundant provision and a reminder that the seeds planted in faith continue to bear fruit in his divine timing.

Reflecting on the past fiscal year, we are filled with gratitude for your faithful partnership. Through your prayers, generosity and commitment, you have helped to bring hope, healing, and lasting change to vulnerable communities around the world. Your support is truly a tangible expression of Christ's love, giving families opportunities to flourish, and reminding them that they are not forgotten.

Enclosed, you will find your Classis Fall Report, highlighting the impact we have made together over the past year. We hope that the content will encourage you, as you see how God has been working through his people to bring restoration and renewed hope to communities near and far.

Thank you for walking alongside us at World Renew in this shared calling. As we begin a new ministry year, we look forward with hope and eager anticipation, trusting that God will continue to accomplish more than we could ever ask or imagine through his faithful church.

May God bless you richly this autumn with renewed strength, joy, and the assurance of his steadfast presence.

With gratitude and blessings,

Chris Orme

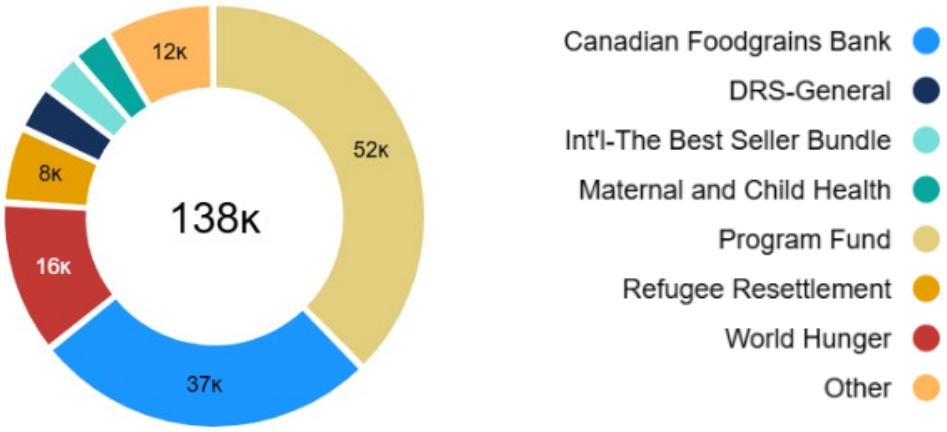
## Giving from Classis Eastern Canada

- Thank you for your faithful support throughout the last fiscal year. Classis Eastern Canada contributed a remarkable **$138,151.93** to World Renew's ministry, with much of this support directed to the Program Fund (Where Needed Most) and the Canadian Foodgrains Bank.

  We are so grateful to partner with you, as together, we bring hope and lasting change to some of the most challenged communities around the world. The chart below provides a snapshot of your generous giving.



- Your Support Matters

  We give thanks to God for the past fiscal year for the ways he has worked through the faithful partnership of supporters and churches like yours. Together, we have walked alongside more than 720,000 participants in 30 countries, helping families strengthen food security, improve livelihoods, and build healthier, more resilient communities.

  When disasters struck, your generosity helped to bring hope to over 382,000 people in 22 countries through emergency food, clean water, shelter, sanitation, home repairs and support to rebuild lives. Our Disaster Response Services volunteers also helped to repair or rebuild 209 homes, while trained International Relief Managers continued to serve communities affected by crises. Your support was also instrumental in welcoming over 180 refugees to Canada, helping families to begin a new chapter of their lives with hope and dignity.

  Behind every number is a person, a family, and a story of hope made possible through your partnership. Thank you for being a part of this ministry with us, as we seek to share Christ's hope with some of the most vulnerable communities around the world.

- Responding to Disasters · An Update on Venezuela

From devastating wildfires, to flooding and earthquakes, disasters continue to leave families facing unimaginable loss.

Following the devastating earthquakes in Venezuela, thousands of families lost homes, loved ones, and access to basic necessities. Thanks to your support, World Renew and its partner, FundaCRECER, are helping families begin to recover. So far, 130 families in temporary shelters have received food and hygiene supplies. Children are finding safety and support through Child Friendly Spaces, while parents and caregivers receive emotional care and Psychological First Aid to help them cope with trauma and uncertainty.

Your generosity is providing more than emergency relief. It is restoring hope, dignity, and a sense of stability for families taking their first steps toward healing.

Long after the headlines fade, people are still rebuilding their lives. We invite you to remain alongside these communities with us, helping to bring hope and healing, and the love of Christ in times of great need.

Thank you for partnering with World Renew.

- Your Partnership at Work

A food basket may seem simple, but for families displaced by conflict in Sudan, it brings relief, dignity, and hope.

Through World Renew partners Alsawaid Alkhadra Organization (AAO) and ACROSS, families facing severe food insecurity are receiving vital support and renewed hope.

As Muhammad Abdullah Burma shares, each basket represents more than food: *"It represents a family hoping for a better tomorrow, a child hoping to grow up healthy, and a community hoping to rebuild what has been lost."*

Thanks to faithful partners like your churches, 7,200 people in Sudan received emergency food assistance. We are grateful for your generosity which is helping families experience the love of Christ in practical ways and bringing hope during a time of great hardship.
